#### Description

The feel-good tea for every day.

#### Available as

05000684 Package of 100g

#### Ingredients

Melissa, ground ivy, daisies, dandelion leaves, fennel, sage. From controlled organic cultivation.

### **Recommended preparation**

It is best to blanch 2 heaped teaspoons with 250ml boiling water, leave to stand for 10 minutes, strain. Please drink a cup several times a day.

### **Special features**

It should be a feel-good tea at the same time, but not a burden. This tea should be good for your body, but not overloaded.

Mild plants with a great healing effect promote general well-being: Dandelion leaves and daisies purify the blood and with their bitter substances are good for the gall and liver, balm strengthens nerves, stomach, heart and brain, ground ivy promotes wound healing and harmonises on a spiritual level, sage works against excessive sweating and supports the kidneys, fennel digests in general.
