Organic quality by Bioland!

Bioland - what is it?

Bioland is Germany's leading organic farming association with the highest number of members. Based on a circular growing system, Bioland farms operate without synthetic pesticides and chemical-synthetic nitrogen fertilizers. Bioland guarantees the quality and purity of our raw materials and spices by constant checks of all farmers involved (cultivation, processing). On the basis of our Bioland certification, we at Herbaria voluntarily subject ourselves to stricter regulations and thus assume responsibility!
